Two's Day at School

Socialization is the primary focus of this new program. Children who have had limited opportunity to play and interact with other children will benefit the most from this class. If your child is ready for school but just isn't potty trained yet, this class is for you. We will accept children in diapers or pull-ups, but should your child have an accident and require changing we will contact you and you'll need to come and change them. Crafts, circle time & snack will be mixed in with a morning of FUN activities!!
