Two's Day at Camp

Outdoor activities, crafts, games, circle time & more will full your campers morning with fun activities. Socialization is the primary focus of this new camp. Children who have had limited opportunity to play and interact with other children will benefit the most from this camp. If your child is ready for camp but just isn't potty trained yet, this camp is for you. We will accept children in diapers or pull-ups, but should your child have an accident and require changing we will contact you and you'll need to come and change them.
