

# DARIEN SPORTSPLEX

**We ask that everyone who visits our facilities completes this [Health Self-Check Questionnaire](#) before arriving, and only comes to our facilities if you check no to all questions.**

During the COVID-19 health crisis, the Darien Park District has continued serving the community while remaining fiscally responsible by reducing expenses and managing resources. For [Phase 4 of the Restore Illinois Plan](#), the Park District will follow guidelines outlined by the [Illinois Department of Commerce and Economic Development \(DCEO\)](#). Our priorities will focus on offering programs that meet DCEO guidelines and can be implemented utilizing reduced resources with limited operations. In addition, our team will ensure that facilities are cleaned thoroughly by following safety procedures in areas of facilities open for program usage only.

**Please note, information is subject to change daily as additional guidelines become available during Phase 4.**
