Piano

Have you ever wanted to learn how to play the piano? Here's an opportunity to learn from teachers who have trained classical pianists. Marc Pacente has his Master's degree from the American Conservatory of Music. He has been teaching music for over 20 years and is accomplished in all styles of music including classical and jazz. Aurelia Pacente holds a Master's degree in music from the Vienna Conservatory in Austria. Aurelia has been teaching piano for over 40 years and taught music at the college level as well as private lessons. Aurelia has a past history of European concert performances. Beginners will learn how to read music, where the keys are on a keyboard and music theory. Continuers will advance to the next book. Piano lessons are individual and start every half hour. Books will be purchased after the first class.

Time slots cannot be held for returning students. To be assured of retaining your lesson time, register for both sessions at the same time.

Private Voice Lessons

Ever wanted to learn how to sing your favorite Hollywood Musical, Good Time Oldies, Musical Theatre or Pop tunes? This is the perfect class for you! Students will learn how to read music and basic music theory principles. This is not a class to learn perfect technique or obtain "classical" training. The emphasis will be on the performance and style in which the student has to present a musical number; whether it is from a musical movie, standard tune or pop song. Vocal lessons are individual culminating with a recital the final week of the session.
