Beginner Pilates

Pilates really is a beginner friendly fitness system. The adaptability of Pilates exercises for different body types and fitness levels is one of its primary benefits.

Virtually all Pilates exercises can be modified to meet different needs and this class will provide you the tools you need to help create your own personal Pilates experience. You will take away important concepts such as, centering, concentration, control, precision, breath flow and flexibility. Rebecca will also incorporate ballet movements, which will help improve balance and strength. Please bring a mat and water bottle.

Age: 16 or older
 Location: Darien Park District Community Center

Tai Chi Chuan

As an internal martial art, Tai Chi emphasizes relaxation, softness, and inner quiete. Unlike other martial arts, no external strength is used. You combine slow, deep abdominal breathing with gentle, smooth body movements in a natural way. People find that Tai Chi practice creates an overall sense of well-being, and you will be able to improve circulation, respiratory efficiency, flexibility and balance as well as reduce stress.
